Eight Boys Survive Initial Tests  
and Six Will be Chosen for  
Regular Team Places.

Eight boys have been selected in preliminary trials for the boys' declamation team of the Rock Island high school. Six of these will be selected in a public contest, Nov. 28, to represent the school in the tri-city contest, and one will be selected to take part in the Big Night contest in Moline. The other two will be alternates.

Thirty-six students took part in the trials Tuesday and Wednesday—the largest group that has ever taken part in this line of work. The material this year is the best we have ever had," said Miss Marie Hiles of the public speaking department. The judges in the contest were Miss H. M. Eninger, M. A. Roberson and J. H. Shantz.

The following is the list of successful candidates: Thomas Medill, Chester Battles, Isadore Katz, Marion Waite, Jacob Viner, Frank Giddens, Frederick Hietter and Keith Anderson.

The tri-city contests will be held during the first week of December.

## SALA ENTERTAINS EX-ISLANDER WHO HOLDS HIGH POST

William Duckworth, lieutenant-governor of New Mexico, and a former resident of Rock Island, was the guest yesterday of A. F. Sala, 1915 Twenty-third street, departing for Centerville, Iowa, to visit his parents last night.

Elected lieutenant-governor on the Republican ticket two years ago, Mr. Duckworth's term is just expiring. He is secretary of the state board of pharmacy of New Mexico, and makes his home at Clavia.

Friends of Mr. Duckworth state that he is a self-made man. Quite a number of years ago he made his home with Mr. Sala, and was an employee of the Hall & Bahnsen company, wholesale druggists.

## SPECIAL ELECTION PETITIONS ARE TO BE CHECKED OVER

Citizens who have been engaged in circulating petitions to secure an election to determine whether the people desire to change Rock Island from the commission to the aldermanic form of government are to hold another meeting in the sheriff's office at the court house tomorrow evening at 8 o'clock. At that time a final check will be made of the names in order that they be in proper shape for filing with the city clerk. All those still having petitions in their possession, no matter how few names they may have obtained to them, are urged by Chairman W. F. Bradley to turn in their petitions at tomorrow night's meeting at the court house. While the committee already has more than the legally required number of names, it is desirous of making the petitions as large and representative as possible, and to that end does not wish to omit the name of a single individual who has recorded himself as favoring the movement.

## LAST GARBAGE TO BE COLLECTED BY CITY TOMORROW

Residents in the city will be given their last opportunity to have garbage collected tomorrow.

The season has been a very busy one according to Commissioner William H. Fitzsimmons, of the department of public health and safety, and a large amount of garbage has been collected. The garbage wagons have been kept on duty in the residence district several weeks longer than in former years because of the mild weather. The only garbage collections which will be made after Saturday will be by the two wagons in the business district which are in operation all year.
